Although it is possible to visit Antarctica, it is not currently a popular holiday destination. Your task is to make a travel brochure to persuade me that Antarctica would be the perfect place for me to take a holiday.

You should include:

- ❖ Lots of colourful pictures
- ❖ Information on where I can stay
- ❖ Information on how I can travel to Antarctica
- ❖ Ideas of activities that I can do there
- ❖ Any interesting information and facts that I should know to make my holiday memorable

I am looking for beautiful joined up writing, good use of capital letters, full stops and ambitious persuasive vocabulary.

Good Luck!
