

The Summer Reading Challenge is here!!

Last Friday was launch day!!!

The theme this year is 'Silly Squad': a celebration of funny books, happiness and laughter!

The target to reach is still 6 books!

As I am sure you know due to the Covid-19 pandemic, the libraries are currently closed. So this year the Reading Agency has decided to go digital for 2020. That's right, this year's Challenge will take place online rather than in public libraries.

Whilst this is a little different to normal, the new online platform will help children keep track of their books and reviews. It will be free to access and will also feature lots of games, quizzes and downloadable activities to incentivise them to take part in the Challenge. It should be a lot of fun!

Families, sign up and join the challenge online.

The library will be supporting locally with book recommendations and online author events.

They have also purchased a whole load of new (eBooks and Audiobooks) and this year of course you can read your books from home.

Sign up at sillysquad.org.uk from Friday 5 June to join the Squad!

The 2020 Challenge will run from June to September
