5<sup>th</sup> May 2017

Dear Parents/Carers,

We wish our Year 6 children all the best in their upcoming SATs next week. They have worked very hard throughout the year in preparation for these and are all feeling ready to their best. Whatever the results show, we are all very proud of each and every one of them.

### **ST MICHAEL'S SCHOOL SPORTS DAY**

Sports day will be on Wednesday June 7<sup>th</sup> 2017 (if wet we will change the day to Tuesday June 20<sup>th</sup>)

Parents are welcome to join us at 9.45am and the children will have a picnic with you at the school field. Reception children will return to school for lunch unless they have siblings to join on the field. Those reception children who return for lunch will not return to the field. **All pupils will return to school at 2pm and can be picked up at normal school finish time at 3.15pm.**

Cowarth Park are kindly supporting the event and providing light refreshments for pupils and families during the morning.

Children in years 1 to 6, not having a picnic lunch with their family will return to school for lunch as usual; staff will walk these children back to the school field afterwards. Please ensure your child is aware whether they need to register for a school meal on this day.

Your child needs to come into school wearing their PE with a named water bottle and sun hat please.

Well done Eagle class!

Ofsted expect a minimum of 95% attendance. In accordance with other Royal Borough schools we aim for 96.5%.

### Year 2's Science

In Science Sparrow class has been learning about different food groups and healthy eating. Children enjoyed designing and making their own fruit kebabs as a healthy snack. The children had great fun tasting their kebabs and sampling a variety of fruits which they might not have tried before.

### PTA NEWS & EVENTS

Letters about the school disco have been sent home via the children's book bags, please can you return them A.S.A.P  
Thank you.

### Lego Club

There is a new Lego club for years 2 and 3 that runs every Monday from 3.15-4.15pm. Limited spaces so it's a first come first serve basis.

### Year 5 Volcanoes

Year 5's topic this term is 'extreme landscapes'. Last week, we created our own volcanoes using newspaper and mud rock to help us with our understanding of volcanoes and how they work. This week came the really exciting part where we made them erupt using: bicarbonate of soda, vinegar, washing up liquid and food colouring. It was very exciting to watch, so much so that we took our models to Reception where they then helped us to erupt them again!
