

'Learning together through love, friendship, forgiveness and faith'

Tuesday 11.01.2022

Dear Parents and Carers,

Birthdays! For a child, a birthday is a very special occasion, marking another year in their life. With COVID, it has been difficult for many families to get together, celebrate and for children to have birthday parties.

As a school, we would like to celebrate your child's birthday and invite them to wear non-uniform on the day of their birthday. If their birthday falls on the weekend, your child can come to school on the Friday or the Monday wearing non-uniform.

If your child's birthday is during half term, Easter, Summer or Christmas holidays, your child can wear non-uniform on the Monday or Friday before half term or the week before the Easter, Summer or Christmas holidays. No child will miss out.

By wearing non-uniform to school, everyone in school will know that it is your child's birthday and a special day for them. It will give everyone the opportunity to wish them a 'Happy Birthday'.

Many of you will ask, what if I just had my birthday? If your child has **just** had their birthday this month in **January**, your child can wear non-uniform **THIS Friday 14th January** to mark their birthday.

As a staff, we look forward to celebrating all the children's birthday throughout the year, starting from tomorrow.

With best wishes,

Mrs T Ball
Interim Headteacher
