20<sup>th</sup> July 2017

Dear Parents, Carers,

This has been such a busy time for us all and the year has certainly flown by. Looking back, there have been so many memorable events and occasions to celebrate class and individual achievements. Many of the children have been tremendous ambassadors for the school; taking part in local sporting events and RBWM Mathematical competitions. While others, in their own quiet confident way, have made enormous effort in lessons and contributed consistently to life and learning in school.

As we approach the end of the academic year at St Michael's the staff and I have been reflecting on the children's achievements and how we can continue to build on the school's successes.

Our strong results this year, notably at the end of Foundation, KS1 and KS2, are testament to the quality of teaching and learning at our school.

### EYFS

This year, **79% of our children** achieved a good level of development (GLD).

This compares to **69%** of children achieving a GLD nationally in **2017**.

### Key Stage 1 Results – Teacher Assessment 2017

Subject	% of Pupils Attaining Expected Level
Reading	93% (74%)
Writing	77% (65%)
Mathematics	87% (73%)
Science	100% (82%)

National results for Key Stage 1 and Key Stage 2 for 2016/17 will be available to schools towards the end of September 2017.

We are delighted to share these results with you. I am sure you would like to join me in saying a huge well done to all our children for demonstrating such a responsible, enthusiastic approach to their learning and all aspects of school life.

There is a strong culture and tradition of parental support at St Michael's; as we end this year on a high, working in partnership with our families, we feel confident aiming higher still next year.

A very sincere thank you to all the parents, families and friends of St Michael's for your valued support this year.

### **Good Byes**

At the end of this term, we say goodbye to Mrs Perkins, Mrs Boyd and Mrs Callaghan. We wish them well and thank them all for their time working with the children at St Michael's and the contributions they have made to support learning in school. Mrs Perkins will continue to be a familiar face in school, Mrs Boyd is starting a new venture with her husband and Mrs Callaghan will be taking time to further her career as an artist. Mrs Callaghan and Mrs Boyd will continue to be friends of St Michael's.

A huge thank you to Ella Hammeed and Tom Bangert for their support as Head Girl and Head Boy. Ella and Tom have performed their roles with integrity and thoughtfulness when faced with any challenge or task.

### **Breakfast Club and After School Care**

On September 5<sup>th</sup> St Michael's will be launching wrap around care provision. Please see the attached information. Mrs Leatherby will be managing the provision, any questions or concerns please speak to her.

It was wonderful to see so many parents join us in church this morning to wish our Year 6 pupils all the best in their new schools and the years ahead. This has been a super Year 6 and we will miss them. I certainly will.

On behalf of all the staff and children at St Michael's, have a restful summer and we look forward to welcoming the children back to school on September 5<sup>th</sup> 2017.

Kindest regards

### Year 5 Cluster Sports Day

On Wednesday 5<sup>th</sup> July, Year 5 took part in a Year 5 cluster school's sports day at St. Mary's School. Despite the heat, the children had an exciting day receiving coaching from St. Mary's P.E. staff and Charters sports ambassadors, learning how to do sports that they had not done before. Children had the opportunity to take part in: the high jump, long jump, discuss, javelin, shot putt, relay, hurdles, rounders and tennis using all of the athletics facilities that St. Mary's had to offer. Some children have realised that they have skills in sports that they previously thought they couldn't do and are now considering pursuing these further. Well done Year 5!
