YEAR 5 PGL Trip

Year 5 set off for the short journey to Marchants Hill PGL yesterday. On the way Miss Fuller kept them occupied by giving them each a piece of paper with clues to solve to find out who they would be sharing a room with!

As soon as they arrived the children started a variety of activities...

They have an exciting time ahead planned with activities such as the trapeze, fencing, low level rope course and problem solving to name but a few.

We look forward to their Class Assembly to hear all about it!

HEDEGEHOG UPDATE!

Thank you for all the donations! We raised a whopping 54 cans/packets of dog and cat food, a few pound coins and a very full bag of towels. During half term I went to Harper Asprey to deliver the very heavy box of donations and list of name suggestions for the new hedgehog arrivals. They were very grateful and I even got a special tour. I got to have a cuddle with the hedgehogs - they are not as prickly as you think. The hedgehogs said thank you and I also got to see some absolutely humongous tortoises and some very bad-tempered parrots. One of the parrots even waved at me as I left the room. We look forward to hearing which name was picked for a hedgehog and how that hedgehog is getting on. We are also arranging for Harper Asprey to visit St Michael's to talk about the conservation of hedgehogs and other wildlife.

Please keep bringing in donations because it is hoglet season and I know they get hungry.

Many thanks,

Sofia (and Luca and the hedgehogs)

HARPER ASPREY WILDLIFE RESCUE

Do you have a fussy cat or dog who decides it no longer likes the brand of food you've lovingly bought? It really can help feed wildlife in our care. We go through huge amounts of food and no donation is too small.

Please ring 01344 623106 to drop off.

Calling all year 2 parents...

Is your child protected against MMR?
Measles • Mumps • Rubella

All children in the UK are usually offered the MMR vaccine at 12 months and again at 3 years and 4 months, which means they would be fully protected against these diseases by the time they start Primary School.

To make sure your child's vaccines are up to date either check your child's personal child health record (red book) or contact your GP.

If your child is not up to date with their MMR vaccines it is not too late to get this done

Family Friends provide short term support to families who are facing difficult times and enable them to get back on their feet. Our help is free, confidential and open to any family living in the Royal Borough of Windsor and Maidenhead with a child aged 0—13 years and up to 18 years for Armed Service Families.

Family Friends in Windsor and Maidenhead have been chosen for the customer vote for a Bags of Help grant from Tesco. It is a scheme which gives community projects like ours grants of up to £4,000 – all raised from the sale of carrier bags in Tesco stores. We have applied for funds to offer 1:1 support to local children with difficulties they are having, such as low self-esteem, loss or bereavement, parental separation, managing changes etc. The public can now vote in Tesco stores in Windsor, Datchet, Langley and Slough, during March and April on who should receive the awards.

Every vote will help us to achieve our grant.

Thank you for your support.
