

St. Michael's C.E. Primary School
learning together through love, friendship, forgiveness and faith

NEWSLETTER

Dear Parents, Carers,

Firstly, on behalf of the staff and governors, I would like to say a very sincere 'thank you' for your co-operation and support over the past few weeks as we put measures in place to reduce the risk of spreading the virus further in school. I am really pleased to report, that as of Monday October 11th, no further positive test results have been reported. This is reassuring to us all and is good news to those families planning to travel abroad over half term.

The current additional measures, and restrictions, put in place to reduce the risk of infection are temporary; we rely on all our families adhering to the Contingency Plan in place to avoid any further disruption to attendance and learning.

The plan is for us to safely dispense with class bubbles at playtimes and welcome families back into school and church, in time for class assemblies and all our end of term traditional Christmas events. Meanwhile, the PTA are planning a disco on Friday November 19th. More details to follow.

Harvest Festival

Thank you to all our families for your generous donations towards our 'Class Harvest Hampers'. During our service in school, the children perfectly articulated what harvest means to them and how their kindness and consideration of others was a

True expression and example of the love that exists in our community. If harvest is synonymous with gathering and sharing, then they have truly shared the best of themselves. The children's thought provoking prayers and messages of thanks, will be passed to St Michaels and All Angels' Church, to be shared with the congregation, during their harvest services.

Warmest wishes

L Anderton
