TAP, thanks and praise

Being in the heart of the village, St Michael's School is a hugely important part of the community. As such, we strive to be a welcoming, caring place where our children thrive. Our staff all work hard to ensure every aspect of a child's well being is looked after and we have joined a new initiative to make sure all our staff feel appreciated for the work they do. It's a way for us to show gratitude to each other as colleagues but also for families to express thanks if they would like to.

The TAP initiative is a way for anyone in the community to show their thanks to teaching or non teaching staff. It has a unique platform on WhatsApp, which makes it quick and easy to give thanks to those who serve us.

Thank you to all parents who have TAPPED St Michael's staff!
