**RBWM Library Service
offer all children born between
01/09/2013 and 31/08/2014
an automatic primary card for use
in any RBWM Library**

To encourage all reception aged school children to read and use the library services, we would like to issue your child with a personalised library card which they can use at any RBWM Library during its normal opening hours and during the long school holidays.

For the cards to be issued, your child's surname, forename, date of birth, gender and home address is required. If you are happy for this information to be passed on to Library Services, then there is nothing further that you need to do. The library card together with information for parents/carers will be given to your child during the Summer Term.

If, however, you do **NOT** want your child to have a library card, you will need to let the school know by **THURSDAY 2nd MAY**.

For information about your child's data a Privacy Notice issued by schools gives information on who may hold data and how it is used.

If you would like more information about how your child can join or take part in any library activities, please visit your nearest library.
