Task:

The Victorians: What was life like in Victorian Britain?

Do some research about life in Victorian Britain. You could do this as a broad overview or as a focused project looking at one aspect of Victorian life such as:

Children in Victorian Britain, women in Victorian Britain, workhouses, Victorian homes, Victorian schools, The Industrial Revolution, the rich and the poor in Victorian Britain.

As always, you can present this learning in any way that you like. Some ideas include: a double page spread, a poster, an informative piece of writing, writing from the point of view of a Victorian such as a diary, a small model or a piece of artwork.

A reminder that your brain builder should not take more than a double page in your book.
