# NEWSLETTER

Dear Parents, Carers,

The end of the summer term is traditionally a very busy time for schools. This year, despite the restrictions imposed by Covid, the staff team have made every effort to ensure this is as memorable as possible.

Reception children really enjoyed their Sports Day on Wednesday. Year 6 pupils provided wonderful support throughout to our youngest children, as they were encouraged to complete their races and handover batons!

Depending on the weather, the remainder of the school are hoping to enjoy their Sports Day today. Once again, this is being organised by BA Sport. Should it rain, plans are in place for an alternative day.

On Friday July 9<sup>th</sup>, our very able year 6 will be 'running the school', so, please don't be surprised if you are greeted in the morning a younger version of Mrs Anderton or by new additions to the staffing team! Year 6 pupils are being interviewed for their chosen role as teacher, caretaker, lunchtime controllers, and members of the office team. I would

like to reassure our parents that staff will be close by at all times. It promises to be an interesting day!

## PTA NEWS

The Virgin Media O2 Together Fund, managed by Neighbourly, has awarded St Michael's PTA a £1000 grant!

The grant aims to bring people together to help build a kinder, closer and more connected society. The funds will go towards signage for #thankyouday on 4th July that will recognise our community for supporting the school, and for the Autumn's Scarecrow Trail to bring families and businesses together again.

Many companies throughout the UK offer employees the chance to boost their fundraising efforts by 'matching' the money they raise. If your company supports you in this way the PTA would love to hear from you to help make a difference to your child's school.

Please email [PTA@stmichaelsce.co.uk](mailto:PTA@stmichaelsce.co.uk) or speak to Tina Wizard
