Eagle Class spellings

There are 20 spelling words on the list but you don't have to learn them all. There is no point in learning words which you can already spell and I would like to give you a bit more independence now you are Year 6. Therefore, you can choose the (minimum of) 10 words which you know you need to learn. You could test yourself on all the word first, and then choose from the ones you spelt incorrectly. Please speak to me if you have any problems or would like me to help choose your words. By all means learn all 20 if you would like to!
