YEAR 3 GET CREATIVE IN THE PLAYGROUND!

"We have been learning about rangoli designs in R.E. and designed our own.

First we coloured lots of rice in class. Then we drew our designs on the playground using chalk to help us put the different coloured rice and make our rangoli patterns.

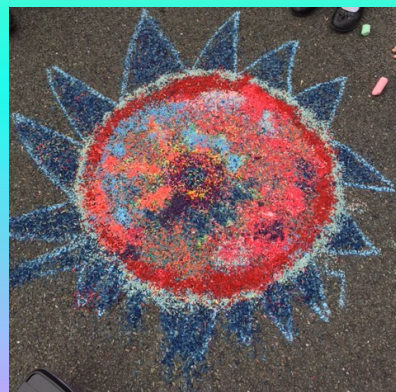

Rangoli is an art that comes from India. It's made during Hindu festivals or for special occasions such as weddings.

Rangoli designs can be made from lots of different materials including coloured sand, flower petals or coloured rice. The designs are put at the entrance to homes to welcome the Goddess Lakshmi during Diwali."

ROBIN CLASS JUMP INTO MAGICAL LANDS!

This week Robin Class we have been exploring different journeys. We have been talking about portals and how they can transport us to other worlds.

Year 3's rangoli art inspired our learning.

Delilah imagined If she jumped inside, she would be caught by a candyfloss cloud and be transported into candy land!

YEAR 2 TRAFFIC MONITORS

We had a maths lesson in the playground because we were doing tally charts to count cars that go past our school.

We used chalk to create giant tally charts and then worked with a partner to count how many of each colour car went past.

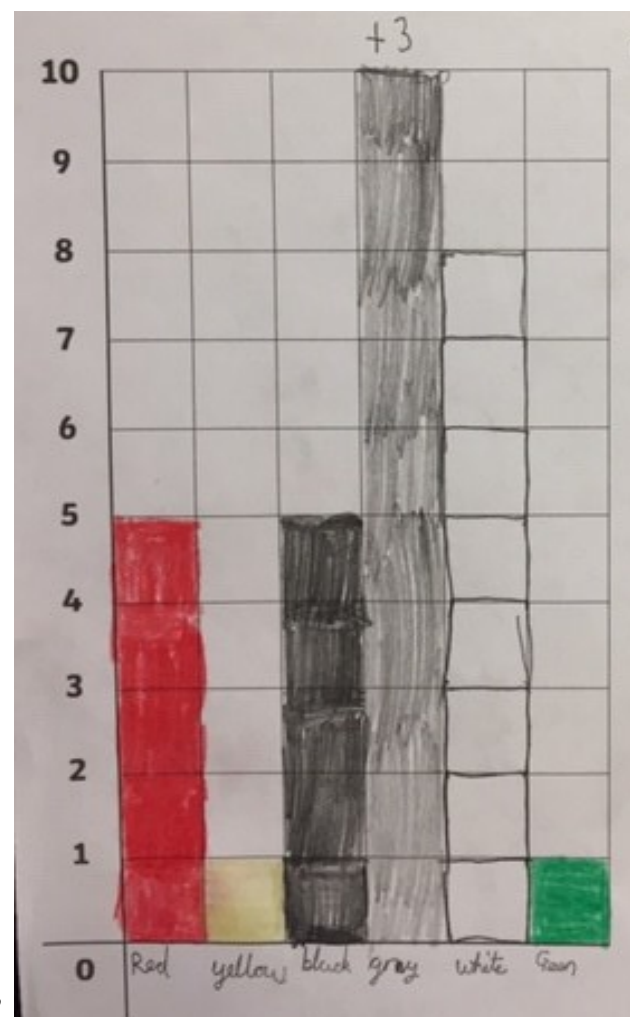

When we got back to our classroom we used the numbers we had put on the tally charts to make a bar chart.

We all really enjoyed using the charts and thought they really helped us to count how many different coloured cars went past our school.

MEET OUR DENTAL EXPERTS!

In Science we have been learning all about teeth. This week we had a visit from a Dentist. She was very impressed when we told her all the important facts we knew such as...

- Canines are for gripping
- Incisors are for biting
- Molars are for grinding
- Pre-molars are for helping molars

She brought in a set of teeth for us to clean using manual and electric toothbrushes.

Our challenge!

The Dentist gave us each a chart with stickers. We have to clean our teeth twice a day for the next month and return the chart to show how many stickers we got. If our chart shows we cleaned our teeth twice a day we get a housepoint!

We all think we'll get a housepoint because we know how important it is to look after our teeth, eat the right food and drink and to clean our teeth!

SUMMER READING CHALLENGE

Dear School/Parent/Guardian,

The Royal Borough of Windsor and Maidenhead Library Service is delighted to offer your child the opportunity to get a free library card – if they do not already have one – to take part in this year's Summer Reading Challenge!

To apply for a library card for your child, please visit our website and complete the online form: Join the library Royal Borough of Windsor and Maidenhead (rbwm.gov.uk)

Once the form is completed, the library card will be sent to you in the post.

With a card, your child is entitled to borrow up to 30 books and items can be borrowed for up to 3 weeks before they need to be returned or renewed, which can be done either in person at the library, by phone, or by visiting the library website: Search, renew and reserve | Royal Borough of Windsor and Maidenhead (rbwm.gov.uk)

Please be aware that if books are kept past their due date, fines will be incurred.

If your child has a Borough Advantage Card, please bring it with you next time you visit the library and speak to a member of staff, who will be able to add it to the library card record, thereby giving entitlement to reduced DVD hire charges (amongst other things). We would also like to give you their library PIN number and have a parent or guardian's contact details listed on your child's card in case of any queries.

Summer is a very exciting time in the libraries, and I would like to extend an invitation to your child to join this year's Wild World Heroes Summer Reading Challenge, which starts on Saturday 10 July and runs throughout the school holidays. This year's nature themed Challenge, Wild World Heroes, has been created help inspire young people to stand up for the planet!

If you have any questions about your child's new library card, please do not hesitate to phone your nearest library, or Maidenhead Library on 01628 796969, where staff will be happy to assist you.

Best Regards

Royal Borough of Windsor and Maidenhead Library Service.

NOW TAKING SEPTEMBER BOOKINGS

Dear Parent / Guardian,

The new school year is a great time for your child to start iRock lessons. Learning to play the drums, keyboard, guitar or vocals in a band can massively build a child's confidence while supporting their mental health and wellbeing along the way.

Key points

- Choose to play the drums, keyboard, electric guitar or vocals subject to your schools availability
- ½ hour weekly band lessons that take place **during school time** and are available to **all year groups**
- Children will learn their favourite songs and be taught by a visiting iRock teacher
- Weekly rehearsals build towards a live performance at the end of term organised by iRock
- Everything included for a flexible monthly subscription of **£32.49 per month** with **no payments in August**

Places are offered on **first come, first serve basis**. To book a place please visit www.irockschool.com, email info@irockschool.com or call 0330 174 2655.

Kind regards,

Joshua Franklin
