# NEWSLETTER

Dear Parents, Carers,

I hope you all enjoyed the half term break and managed to take advantage of the much awaited sunshine. The glorious weather has continued throughout this week; allowing the children to take their learning and play outside as much as possible.

## Sun Safety

Please ensure your child brings a water bottle to school each day and they have a sunhat available. Ideally, sun block creams should be applied each morning, before your child comes to school.

## Parent Questionnaire

At St Michael's, we are committed to providing the best education and care for our children. We would really appreciate feedback from our parents to allow us to assess what is going well and where we may need to make any changes. Earlier this week, a letter, including QR Code and a link to the survey, was sent home via email. In case you have missed this, the survey can also be accessed using the following link

## Silent Auction

A huge and very sincere thank you to all the parents who have bid in the 'Silent Auction'. I understand we have also received some very generous and anonymous donations. The money raised by the PTA will be used to support and enhance the learning and well-being of our children across the school.

## Parents in School

As you are aware, following the government's forecasts, regarding the road map out of lock down, we made provisional plans for parents to visit the school, after June 21<sup>st</sup>. As you are aware, this date was dependent on everything going to plan. The rise of the Indian variant in the UK means this remains a fairly significant "if". The government is due to make a decision about how we will proceed on June 14<sup>th</sup>. We are all looking forward to welcoming you back into school safely and will continue to keep you posted.

## Siblings Joining St Michael's in September 2021

Miss Nicholson has posted important information for you and your child about how to prepare and what to expect during this exciting start in Robin Class. Please follow the link on the 'Home Page' of the school's website.

I am in the playground most mornings and am very happy to answer any questions. Miss Nicholson, is generally busy in the morning, welcoming her class, however, requests for a telephone call with her, can always be made via the school office, or myself.

Warmest wishes

L Anderton
