### "We are musicians"

At St Michael's CE Primary School, we aim to provide every child with a solid foundation in musical skills and seek to build every child's love of music through high quality musical experiences.

### Aims

- To sing and perform a wide repertoire of songs and pieces encompassing many different styles and genres.
- To explore musical composition and improvisation and evaluate the effectiveness of their ideas.
- To be familiar with individual elements of music and be able to utilise these effectively in their own work and recognise them in their appraisal of recorded or live music.
- To listen to and use musical vocabulary to describe and appraise different types of music.
- To use symbols to represent a composition.
