Dear Parents, Carers,

## Update on Flood Damage

Due to the quick response from the local authority and FJ Lane Builders and Plumbers, I am pleased to inform you, we hope to move back to the Year 1 and Year 2 classroom towards the middle of next week.

The children have shown great resilience throughout the disruption. Some have commented how they prefer to eat lunch in the classrooms at the beginning of lunch break and not have their football game interrupted to go in to the hall!

Thank you to all our parents in Year 1 for not taking the children into the hall, at the beginning of the day. This is the main access point for all our children entering school from 8.40am onwards and it is important, for health and safety reasons, that we avoid any unnecessary congestion.

Thank you for your continued help and support.

## Graduation at Royal Holloway U L For Years 2,3,and 4 on March 16th 2018

Fortunately, we have been able to reschedule this event. Letters were sent home on Thursday, detailing the arrangements for the afternoon. Please check book bags. Any problems please contact the school office or speak to Mrs Leatherby.

## Curry Night at Rajhboog Restaurant Sunninghill

Tickets for his event are limited. Please

remember to book your places soon. Supported by Ascot Rotary and in conjunction with Rajhboog Restaurant, this is a very worthwhile event and one all our children will benefit from. The funds raised will go towards providing whole class music tuition, by Berkshire Maestros.

Kind regards

Mrs Anderton

Head Teacher

## **Sports News**

Last Wednesday Miss Howard-Kaye took children from Years 4, 5 & 6 to the Marist School to take part in a Cross Country Competition with ten other schools.

The children had to run around a 1500 metre course, through the woods which was really hilly and uneven.

I'm so proud of how the children did and they all showed such resilience.

Well done!

Miss. Howard-Kaye

## Book Day

### Book journey

Reception, Years 1 and 2 held their own belated World Book Day on Thursday. The children started the day by receiving Book Passports which they took on their journey of adventure. They enjoyed collecting 'stamps' as they went from classroom to classroom listening to different stories and participating in book related activities.

As an additional treat the children were given a variety of foods and drink to try at each stage of their journey. These included snail squash, mashed worms, witches hats and fruits from the Flumflum Tree!

### Book swap

A big thank you to all who sent in books for the book swap. All the children were able to choose a different and exciting book to take home and read from the wide variety sent in.

### A visit from The Highway Rat!

To end their Book Day the children were delighted to receive a visit from The Highway Rat from the book written by best selling Author Julia Donaldson. They enjoyed listening to stories read by the local Library Services Team and even had the chance to have their photo taken with the Highway Rat.
