Key S Reception for being kind and helpful
Key Stage 2 Year 5 for being thoughtful

YEAR 6 TRANSITION

Last week, Year 6 visited Charters as part of a programme of transition activities to participate in two lessons with were led by teachers at the school: a philosophy lesson and a cooking lesson. The children made delicious banana muffins and debated about being stranded on deserted island. They discussed what they would take, why they would take it, what they would do when they were there and how they might go on to establish a society if rescue didn't seem possible. The children all shared some very thought-provoking arguments and enjoyed learning more about the teaching of philosophy and religious education at Charters. On Wednesday 25th, Mr Boyce from Charters Science department visited our school to lead a lesson on the heart. The children were able to benefit from his expert scientific knowledge and all dissected a sheep's heart.

Year 6—FIRST AID

On Thursday 20th June, Year 6 completed a day of first aid training with St. John's Ambulance. The course covered a range of scenarios from stopping bleeding, moving someone into the recovery position, how to deal with choking and what to do if someone faints. They all had a fantastic day and learnt lots from the experience. They all now feel better equipped to act in the event of an emergency or if they came across someone who was injured or unwell. Well done Year 6!

NOTICES

IMPORTANT FORMS TO BE COMPLETED

Forms were sent home last week to be completed **before** the new academic year 2019/2020:

- **Emergency Contact Information**
- **Medical & Consent Form**
- **Permission for Local Off-Site Visits**
- **Use of Photographic / Video Images**

Whilst these forms may take a little time to complete it is very important that the School has up-to-date information particularly when there is a need to contact a parent / carer when their child is ill. Please ensure if you have siblings at the school each child has separate paperwork filled out except for the emergency contact forms where all children can be put on the one form.

Please return all completed forms to Class teachers by **Monday 15th July**.

Thank you for your assistance.

HELP NEEDED!

We are looking for a volunteer with a van to collect and recycle a fridge from the school. Costs incurred will be reimbursed.

Please speak to Mrs. Leatherby for further information.

SPORTS NEWS

Basketball

Friday 28th June a team of Year 5 and Year 6 basketball players took part in a tournament at LVS. We are very proud to say that the team won the competition. Tom Smith, Year 6, coached and captained the team, leading them to a super victory – they won five out of six of their matches and came top of the league. There were lots of substitutions and everyone played lots and contributed to the overall score earning the school a trophy and every player a winners t-shirt. A huge congratulations to everyone involved.

PTA UPDATE

Your PTA needs you!

It's that time of year when our amazing 2018/2019 class reps hand over the mantle to parents peers for the new school year 2019/20. Reps are parents who liaise between their child's class and the school PTA. They organise social events for the parents and carers of children in the class; keep parents informed about fundraising events and ask for volunteers to help with those events. We are all hugely grateful for our class reps so please if you've not volunteered yet - put your hat in the ring & join us. All the monies raised by the PTA go directly towards our school to help with the enrichment programme for our children.

If you have any questions please speak to Sapna / Tanya or your current class rep.

PTA UPDATE continued

Volunteer needed to help man the Gardening Club stall at the Summer Fair.

Please speak to Miss Fuller or Mrs Leatherby if you are able to help out.

Thank you!

**Please help us reach our 200 jar total!**

by donating a filled jar for our stall at the School Summer Fair.

Imperial College London

GRAND CHALLENGES IN ECOSYSTEMS & THE ENVIRONMENT

Bugs, Birds and Beasts Day at Silwood Park

24 July 2019, 12.00 – 17.00

Imperial College London, Silwood Park Campus,
Buckhurst Road, Ascot SL5 7PY

Discover an amazing natural world

Come to an afternoon of free and exciting events for all the family at Imperial College's Silwood Park campus.

Join us and find out how bugs, birds and beasts enrich our lives: watch live bird eggs develop and hatch, marvel at falconry displays, take part in bug tasting and discover wonderful facts about the creatures all around us on bug hunts.

There's something for everyone, from face painting and pond-dipping to Jurassic Lab exhibits and interactive ecological games.

All day BBQ and refreshments available.

No registration required.

Grand Challenges In Ecosystems and the Environment

GCEE is an initiative of Imperial College, launched in October 2013. We aim to be a hub for people addressing key environmental challenges for humanity, carrying out internationally excellent multi-disciplinary research with a focus on finding solutions to these challenges in a collaborative manner, and acting as an interface between science, practitioners and policy makers.
