True or False?

The statements are correct.

If my shape moves from (5, 5) to (10, 10) it have moved 5 up and 5 right.

If my shape moves from (4, 4) to (8, 8) it has moved 4 up and 4 right.

True or False ?

True

Both statements are correct. Children may see a pattern here to help them work out translations without counting jumps.
