

## Personal Development at St. Michael's

“We are personally developed...”

At St. Michael's CE Primary School, we aim to provide a high quality curriculum that allows pupils to imagine, improve, understand others, try new things, work hard, concentrate and push themselves. As personal developers, children will constantly demonstrate: resilience, respect, responsibility, rationality, reflectiveness and resourcefulness. We deliver this through ....

*“A man is but the product of his thoughts what he thinks, he becomes.” Mohandas Gandhi.*

### Aims

- For our children to participate in new experiences and share these with others whenever possible.
- For our children to understand the benefits of effort and commitment.
- For our children develop an understand of techniques and methods that aid concentration.
- For children to be resilient and push themselves in all areas.
- For our children to be provided with continuous opportunities to develop creative minds.
- For our children to develop an awareness of their own and others strengths and weaknesses.
