Dear Parents, Carers

PARKING

I have received complaints from various residents about our parents parking illegally and inconsiderately outside school, particularly on School Road.

The school makes every effort to maintain good relationships with our immediate neighbours and the local community. Please help us in this matter by parking respectfully when dropping off or collecting your children each day.

School Lottery

Please follow the link below and buy your ticket. The first draw is on Saturday July 6th.

You must be in it to win it!!

YEAR 6—THE ORCHESTRA!

On Friday 7th June, Year 6 visited St. Michael's Church to take part in an orchestra experience. The children were able to learn to play an instrument ranging from a cello, viola or violin. They were then able to join the orchestra and play with them, creating a fantastic piece of music. All of children had a fantastic time and demonstrated all of the six Rs. Thank you to St. Michael's Church and Stephen for inviting us!

YEAR 6 GO CANOING & KAYAKING!

On the last day of our last half term, Year 6 visited Hurley Lock for the day and took part in a morning of canoeing and an afternoon of kayaking. They had to put their balance to the test and try and walk across the front of the kayaks without falling in and getting wet - some of us got quite soggy! Team work, resilience and determination were demonstrated by the whole class. A great day was had by all in the sunshine and it was an excellent way for Year 6 to finish a very busy term!

GARDENING CLUB

Thank you for supporting our Gardening Club sale. We are delighted to announce we raised £55.50!

Well done to everyone involved!

BBC Springwatch—Gardenwatch

Take part in the biggest citizen science project!

As our towns and cities sprawl out into the countryside, our gardens are becoming more and more vital as wildlife reserves of the future. We want to map the resources available for wildlife in gardens up and down the country, and find out which wild visitors they attract.

Follow the link below to complete each of our four missions and help to build a better future for the UK's wildlife!
