NEWSLETTER

Dear Parents, Carers,

Another busy week has flown by!

Thank you to all our families for supporting us with the changes to the drop and collection arrangements. Mornings were a particular concern; working together, we are managing to clear the pavements and area around school by 9am. Fingers crossed, the 'journey out of lockdown' continues as planned and we will be in a position to welcome all our families onto the playground before the end of May.

As a community, we have faced many challenges, throughout the past year, but there is light at the end of the tunnel!

Parking

A reminder to those parents who drive their children to school, please park respectfully and safely around the school site. We all have a responsibility for the safety of our children as they cross the roads, close to school. School Road is a particular concern at present; unfortunately, people are choosing to park in such a way, particularly close to One Stop, that prevents families who need to cross, from seeing any oncoming traffic.

Once again, local residents have complained to the Parish Council about parking during drop off and collection. RBWM are also aware, and may send traffic enforcement officers at these times to issue fines to address the problem.

Assemblies Outside

Much to the delight of local residents, blessed with fine weather, we have been able to take whole school celebration assemblies, outside in the sunshine. If you find yourselves popping out to the village, around 9am on a Friday, take a moment to stop and join in with the singing, and prayers. It's time to dust off those isingpop cds and practise your moves. The children will be happy to demonstrate the actions and make sure you wriggle, jump and clap in all the right places!

Enjoy the weekend.

Warmest wishes
