

### **Brain builder summer 1**

#### **Topic: South America**

Set: Thursday 5<sup>th</sup> May

Due: Thursday 26<sup>th</sup> May

Your task:

Research a South American country using the internet or books. You may want to think about:

- Human geography (e.g. cities, population, notable buildings etc.)
- Landmarks
- Physical geography (climate, rivers, mountains, animals and habitats etc.)
- Main imports and exports
- Culture (e.g. food, traditions, festivals, language etc.)

Then, create a double page spread information text about your country. Use subheadings to organise your writing and you can add pictures and colour – make them eye catching!
